

Bristol PA Images of America

By Harold Mitchener

Arcadia Publishing. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.1in. x 6.3in. x 0.5in. Bristol traces its roots to a grant obtained by Samuel Clift in 1681, William Penn's establishment of an estate one year later, and to its location along prime transportation routes. Situated below the fall line of the river and along the main route for land travel, Bristol afforded direct access between Philadelphia and New York City. As more people and businesses started to call the new settlement home, Bristol began to find its place in history. Bristol is a pictorial journey to the roots of one of America's oldest towns. The book beautifully illustrates its development from a countryside encampment, to the government seat of Bucks County, to the setting of major industry. The growth of Bristol is portrayed through the development of its municipal services, organizations, and entertainment facilities. Furthermore, these images attest to the way Bristol responded to conflict, from the Civil War to World War II, by providing ships, airplanes, and its own heroes. A remarkable collection of images from the Margaret R. Grundy Memorial Library and other sources tells the story of a truly unique place. This item ships from multiple locations. Your book...

Reviews

An exceptional pdf and also the typeface applied was intriguing to read through. It is definitely simplified but excitement in the 50 % in the ebook. I discovered this ebook from my dad and i recommended this pdf to find out.

-- Jarod Ward

Complete information for publication enthusiasts. It is really basic but shocks inside the fifty percent of your book. I am just delighted to let you know that this is basically the finest book i have read through in my individual lifestyle and might be the best pdf for actually.
