In this short story, the heroine, Lisa, is a very attractive 20-year old maiden who knew what she wanted but had not met him yet. She is proud to work for a very wealthy, influential, powerful and popular family. The Carter family needs more doctors for their planet, K-9, Called Canine. They planned to start and build a group of exemplary pre-med and medical colleges on a long string of uninhabited sub-tropical islands on their rapidly developing planet. Lisa is their top covert Investigator Analyst studying the many medical schools on Earth s Caribbean Islands. She meets and falls in love with her Pre-Med Instructor. Throughout the rest of the third novel; they marry and happily raise their family while helping the Carters develop the Medical Schools and the Planet **BE CAREFUL WHAT YOU WISH FOR** Little Ann s Family was wealthy and powerful, influential though out. Not really notorious, but always victorious, the Galaxy s best. They had many secrets, kept them close to their chest. In the 23rd Century, Lisa was singing new original verses to herself about her bosses, happy to be working for them. She was telepathic. The Carters were all experts. She was...
