

The New Digital Age Reshaping the Future of People, Nations and Business

By Eric Schmidt

Brilliance Audio. No binding. Book Condition: New. MP3 CD. Dimensions: 6.8in. x 5.4in. x 0.6in. In an unparalleled collaboration, two leading global thinkers in technology and foreign affairs give us their widely anticipated, transformational vision of the future: a world where everyone is connected a world full of challenges and benefits that are ours to meet and harness. Eric Schmidt is one of Silicon Valley's great leaders, having taken Google from a small startup to one of the world's most influential companies. Jared Cohen is the director of Google Ideas and a former adviser to secretaries of state Condoleezza Rice and Hillary Clinton. With their combined knowledge and experiences, the authors are uniquely positioned to take on some of the toughest questions about our future: Who will be more powerful in the future, the citizen or the state? Will technology make terrorism easier or harder to carry out? What is the relationship between privacy and security, and how much will we have to give up to be part of the new digital age? In this groundbreaking audiobook, Schmidt and Cohen combine observation and insight to outline the promise and peril awaiting us in the coming decades. At once pragmatic and inspirational, this is...
