*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## WHITE WALKER

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When she was ten she made a promise to that which inhabits the winter storm. Now she s twenty-six and pregnant, and the White Walker has returned to collect his due. For Teddy a routine day becomes anything but when a severe blizzard shuts down the region as old man winter refuses to relinquish his grip. But this is no ordinary winter storm, for within the shifting winds walks a prehistoric deity once worshiped by ancient man on the windswept Siberian plains, coming to collect on promises made. As the winter storm rages around them the employees of the call center watch helplessly as their numbers dwindle. The building they inhabit stands on the exact spot once occupied by a one room school house that had burned to the ground during a similar storm over a hundred years before. The ghosts of the children who perished in that fire appear and the call center workers become trapped in a battle between fire and ice. Cut off from the outside world, stalked by the ghosts of the past, the survivors are forced to abandon the safety of a building that has been stressed to the breaking point. But how does one escape a winter storm?.
