## THE SEARCH FOR SPIRITUALITY: OUR GLOBAL QUEST FOR MEANING AND FULFILLMENT

DOWNLOAD

CANTERBURY PRESS NORWICH, United Kingdom, 2009. Paperback. Book Condition: New. 228 x 153 mm. Language: English . Brand New Book. This book explores the global search for a spiritual life in contemporary culture at a personal and social level, inside and outside religious institutions, and in the secular world. It looks at diversity and religious pluralism, clarifies the meaning of spirituality in different languages and cultures, examines religious and secular spiritualities, and asks whether we are experiencing a spiritual renaissance, revival, or revolution. The discussion begins with looking at spirituality from a larger perspective by investigating its origin and significance, its ideals and practices, different forms of spiritual guidance past and present, and the new development of spirituality as an academic subject of study. It then moves on to specific topics like spirituality and interfaith dialogue, spirituality within the human life cycle, and spirituality and gender. The chapter on interfaith dialogue shows how the global interaction between people of different faiths and cultures, and the need for mutual understanding and collaboration, have greatly increased the opportunities for dialogue, but also for a new interfaith spirituality, pioneered by outstanding exemplars from different faith communities. Thus the question arises: what is the spiritual significance of world faiths for humanity today, but also, what is the importance of secular spirituality? Several chapters illustrate how, at a personal level, many new approaches to spirituality have emerged: How is spirituality linked to human embodiment, to the experience of birth, childhood, maturity, aging, dying and death? What is the significance of spirituality in the education of children, and in lifelong learning? Does spirituality impact on physical, mental, and emotional health? And how far can psychotherapy be seen as a spiritual journey? Is women s spirituality different from men s, and what are the specifically new contributions...
