Whether you re struggling to survive in school or striving to be first in your class, The Cram-Free Study Method provides the solution. Introducing an easy-to-follow method that you can adapt to fit your needs, this resource guide reveals a little-known secret about studying that will free up your schedule so you can actually spend time doing the things you love and succeed in school. Author Steve Klemen developed his unique method as a high school student and went on to graduate magna cum laude from college in just three years-without ever spending more than one hour studying for a final exam! Over the past thirty years, he s informally shared his techniques with select students, but now he makes his invaluable tricks and tips available to everyone in The Cram-Free Study Method. Discover how you can win at education armed with sticky notes, index cards, and Klemen s secret system, which also uses kinesthetic learning, as well as an ideal study area. Not only will you become a successful student, but you ll also enhance your life!.
