Understanding the different genres or writing styles of the Bible prepares us to get more out of the Scripture every time we read. The Bible is literature. When we know something about the background, purpose, and writing style, we can learn to appreciate God's message all that much more! In this unique study, women will explore the genres of writing in the Old and New Testaments, such as law, narrative history, wisdom writings, and epistles. Books of the Bible that may have seemed hard to read or disconnected from our modern world will suddenly come alive in a whole new way. Along the way, we will begin to lay hold of the depth and delight of God's Word not just as ancient writings, but as a book that is living, active, and more relevant to our daily lives than we ever imagined.
