This is no time to be giving the Administration the benefit of the doubt; we are in trouble. The United States of America is under siege from several fronts: We are under siege by militant Islamists (9/11, Iraq and Afghanistan, along with the various foreign and domestic terrorist attacks, are just parts of this.) They are not attacking us because we are free and prosperous, nor because we have troops in Asia, nor because we have not closed Guantanamo. They are attacking us because we are infidels. Islam by the sword. We are at war with drug cartels on our southern border. They have outposts in U.S. Territory. We have been invaded by the drug cartels. Our southern border is undefended; we have been overrun by illegal immigrants. Our own government is attempting to destroy our nation as we know it. The current federal government is the most left leaning in our history. It is trying to remake our country to match Europe-just as the European economy is failing from the...
