Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Doctor Antonio On a fine sunny afternoon of early April, in the year 1840, an elegant travelling carriage was rattling, at the full speed of four post-horses, over the road, famous among tourists as the Cornice Road, and which runs along the western Riviera of Genoa, from that city to Nice. Few of the public highways of Europe are more favoured than this - few, at any rate, combine in themselves three such elements of natural beauty as the Mediterranean on one side, the Apennines on the other, and overhead the splendours of an Italian sky. The industry of man has done what it could, if not to vie with, at least not to disparage Nature. Numerous towns and villages, some gracefully seated on the shore, bathing their feet in the silvery wave, some stretching up the mountain sides like a flock of sheep, or thrown picturesquely astride a lofty ridge, with here and there a solitary sanctuary perched high on a sea-washed cliff, or half lost in a forest of verdure at the head of some glen; marble palaces and painted villas emerging from sunny vineyards, gaily flowering gardens, or groves of orange and lemon trees; myriads of white casini with green jalousies scattered all over hills, once sterile, but now, their scanty soil propped up by terrace shelving above terrace, clothed to the top with olive-trees, - all and everything, in short, of man's handiwork, betokens the activity and ingenuity of a tasteful and richly-endowed race. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical...
