One who wants to get joy of book reading especially in very less time can go for it. About the Book Bleak House, a story with a purpose, like most of Dickens works, was published when the author was forty years old. The object of the story was to ventilate the monstrous injustice wrought by delays in the old Court of Chancery, which defeated all the purposes of a court of justice. Many of the characters, who, though famous, are not essential to the development of the story, were drawn from real life. Turveydrop was suggested by George IV. , and Inspector Bucket was a friend of the author in the Metropolitan Police Force. Harold Skimpole was identified with Leigh Hunt. Dickens himself admitted the resemblance; but only in so far as none of Skimpoles vices could be attributed to his prototype. The original of Bleak House was a country mansion in Hertfordshire, near St. Albans, though it is usually said to be a summer residence of the novelist at Broadstairs.
