Reviews

*It is an awesome book that we have possibly go through. It is actually writer in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

BORDERLAND IN BUTTERNUT AND BLUE: A SAMPLER QUILT TO RECALL THE CIVIL WAR ALONG

Kansas City Star Books. 1 Paperback(s), 2007. soft. Book Condition: New. In its pre-statehood years before the Civil War, Kansas was bitterly divided between pro-slavery settlers from Missouri and abolitionists from the North, and violent skirmishes led to the territory being dubbed "Bleeding Kansas." This book offers a touching tribute to this time of upheaval, with 13 blocks in tones of butternut and blue commemorating women whose lives were touched by the conflicts on the Kansas/Missouri border. The patterns include diamonds, stars, curves, and appliqué, and the book provides several different possible settings and inspiration quilts. The Kansas City Star was renowned for a widely popular series of quilt blocks published in the newspaper from 1928 to 1961, still avidly sought after by quilters. These patterns and others inspired by them have been published by Kansas City Star Books since 1999. 124.
