

The Original Element in Plautus (Classic Reprint)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Original Element in Plautus I wish, said the teacher to the student, that you were working at an artist, and not at a hack like Plautus. The student, puzzled and discouraged, consulted other authorities as to the precise meaning of hack, and found that it meant a literary drudge, who is much overworked, and therefore a person habitually tired. Now, whatever other failings may be ascribed to Plautus, he certainly never shows signs of being tired; and although he is often casually set down as being nothing better than a mechanical translator from Greek into Latin, yet a perusal of his plays suggests that many of them are the work neither of a hack nor of a single artist, but of several artists, of whom Plautus was indubitably one. From the vague generalities which are found in treatises on Latin literature, it would seem that the plays of Plautus are in the main versions or imitations of originals of the New Comedy. Therefore, in proportion to the value which we set upon both the New Comedy and Plautus, it is profitable to examine how the Roman poet treated the material at his command, and to what extent, if at all, he contributed to his work something original, something of his own personality. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
