Brand New Book ***** Print on Demand *****.Homosexuality is one of the most controversial topics among Christians today, and now, more than ever, it is vitally important that many understand its causes and consequences. Who better can we learn from in this debate than one who spent more than 20 years as a lesbian and then was shown that repentance, forgiveness and unconditional love will prove God takes away sin and illustrates there is No Greater Love than His when you develop a personal relationship with Him. What can such a journey teach us? Former lesbian, now born again Christian Julie Hoch answers that question and more as she shares her truly inspirational life story. With the help of an understanding, caring Christian acquaintance, who became a devoted friend, along with a compassionate, Bible-based church, Julie found her way toward God and away from her lesbian life. Her book provides personal experiences about that road to repentance and forgiveness as well as honest answers to the questions Christians-and others--need to hear: What caused her to turn to lesbianism? Why didn't she repent sooner?...
