

The Curse of the Wendigo

By Rick Yancey

Saga Press, United States, 2015. Paperback. Book Condition: New. Reissue. 179 x 107 mm. Language: English . Brand New Book. Flesh-eating danger abounds in the chilling sequel to The Monstrumologist that is as fast-paced, elegant, and yes, gruesome as its predecessor (Publishers Weekly, starred review). While Dr. Warthrop is attempting to disprove that Homo vampiris, the vampire, could exist, his former fiancée asks him to save her husband, who has been captured by a Wendigo a creature that starves even as it gorges itself on human flesh. Although Dr. Warthrop considers the Wendigo to be fictitious, he relents and performs the rescue but is he right to doubt the Wendigo s existence? Can the doctor and Will Henry hunt down the ultimate predator, who, like the legendary vampire, is neither living nor dead, and whose hunger for human flesh is never satisfied? This second book in The Monstrumologist series explores the line between myth and reality, love and hate, genius and madness.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
