The Worlds of the Orb

By W C Quick

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Worlds Of The Orb dives into alternate dimensions, some twisted and comically surreal as in the, There Was An Old Woman tales. Others are a journey into the realm of Twilight, Fairies and Witches, there is a bit of Urban Fantasy with Magical Realism in The Flash And The Thunder and Black Angel/Bark Angel, and a bit of Horror from The Hall Of Light. Through it all The Orb is present, in full view or skirting the edges of reality. Faith is tested in a young boy confronting an ancient evil right next door. There are present and ancient scores to settle. The stories are edited to the higher end of the Young Adult range but still hold a more adult edge. There is some profanity, sexual content and violence.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- *Otis Wisoky*

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
