Social Support Networks

By James K. Whittaker, James Garbarino

De Gruyter. Paperback. Book Condition: new. BRAND NEW, Social Support Networks, James K. Whittaker, James Garbarino, This book offers for the first time a clear conception of what social support networks are, why they are important, how they are identified and sustained, where they fit in an overall framework of human services, and their limits and potential in selected fields of practice. Individual chapters explore: child, adolescent, and family services; daycare and early childhood development; divorced and stepfamilies; schools; delinquency prevention and treatment; mental health; service to the elderly; development disabilities; healthcare and health promotion; and drug treatment. The use of "social support networks"--extended family, friends, neighbors, and other "informal" helpers--is an idea whose time has come in the human services field. At a time when spiraling costs and popular sentiment weigh against any major expansion of services, it is apparent that a service strategy based primarily on the notion of professional helping delivered on a case-by-case basis, usually in a one-to-one relationship, has serious limitations. Professional response to this major work has been uniformly positive: "[The editors] have assembled a book of considerable importanceA brilliant in both scholarship and constructionA will appeal to a broad readershipA"--Gerald Euster, University of South Carolina....
