SUPER CANCER FIGHTERS: PROVEN NATURAL REMEDIES THAT SUPPLEMENT MAINSTREAM CANCER TREATMENTS

Top Shape Publishing, LLC, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Finally you don t have to choose between mainstream and alternative cancer therapies. There are some small things you can do at home which have very big results that complement traditional therapies. Most people hear a diagnosis of cancer and immediately think it is a death sentence because of the poor results that mainstream chemotherapy, surgery and radiation treatments typically achieve. However, there are also integrative physicians and international cancer clinics which use a combination of holistic, complementary medicine therapies to help people get well. Some of these alternative approaches have achieved genuine cancer cure rates as high as 90 , but ordinary oncologists rarely use them. If you are not being treated by an integrative physician, the question arises as to which of these extra things can you do at home to help yourself when you are on the road of mainstream cancer treatments. Certain supplemental therapies can actually make radiation or chemotherapy treatments safer and their results better. They can give you more energy and help you recover faster to feel like your old self sooner. They can reduce infections, prevent cachexia and dramatically increase your chances for a perfect recovery. Even if your oncologist sadly says that he can do nothing more, there are definitely some alternative therapies you can immediately try that just might save your life. In short, there is a large variety of proven, supplemental aids that can complement traditional mainstream cancer treatments. Many of these complementary approaches, synergistic with traditional therapies, are helpful because they are considered cancer cures on their own. However, many doctors don t know about them or are not legally allowed to discuss them...
