Shark Trouble

By Peter Benchley

Random House Trade. Paperback / softback. Book Condition: new. BRAND NEW, Shark Trouble, Peter Benchley, Master storyteller Peter Benchley combines high adventure with practical information in Shark Trouble, a book that is at once a thriller and a valuable guide to being safe in, on, under, and around the sea. The bestselling author of Jaws, The Deep, and other works draws on more than three decades of experience to share information about sharks and other marine animals. "Shark attacks on human beings generate a tremendous amount of media coverage," Benchley writes, "partly because they occur so rarely, but mostly, I think, because people are, and always have been, simultaneously intrigued and terrified by sharks. Sharks come from a wing of the dark castle where our nightmares live--deep water beyond our sight and understanding--and so they stimulate our fears and fantasies and imaginations." Benchley describes the many types of sharks (including the ones that pose a genuine threat to man), what is and isn't known about shark behavior, the odds against an attack and how to reduce them even further--all reinforced with the lessons he has learned, the mistakes he has made, and the personal perils he has encountered while producing...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
