A SOURCE-BOOK OF ANCIENT HISTORY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Source-Book of Ancient History This volume may be used in connection with any course in Ancient History. It is especially intended, however, to serve as an auxiliary to Botsford s History of the Ancient World. The material has accordingly been arranged in chapters parallel to those of this text-book, to which references are constantly given. Some of the selections have been translated by friends - especially by Dr. E. G. Sihler of New York University and Miss Rachel R. Hiller - and others by ourselves; but most of them have been taken from published translations, to which credit is duly given. Particularly in the case of excerpts from translations by scholars of recognized merit, we have followed the policy of making the least possible revision, even to the extent of allowing some inconsistencies in the spelling of proper names. Readers will thus be reminded that the spelling of Greek names is far from being standardized. As to the use of the volume, we advise that the pupils read each chapter in connection with their study of the corresponding chapter of the text-book. The questions, which suggest the more important facts to be gathered from the selections, are to be regarded merely as examples. The teacher may modify or expand them according to the needs of the class. In the case of the more mature pupils, greater attention should be given to a study of the authors and to the critical appreciation of the selections than these illustrative questions indicate. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important...
