Anne of Ingleside is a novel in the Anne series where Anne is now the mother of five children and has another on the way. She worries that her husband no longer loves her but vows to make him fall for her again. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled Anne of Green Gables . It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name.
