Doubleday, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!
Summary: Praise for I Love You More : "When lawyer Oliver Lane is shot to death at the family's summer rental on the Outer Banks of North Carolina, his wife appears a likely suspect. Then two other women who claim to be married to Oliver come forward, and the investigation takes several unusual turns. . . Told from multiple points of view . . . Murphy examines the periods before and after the murder while providing tantalizing glimpses into the minds of a manipulative sociopath and his targets. . . Her fluent style and descriptive language produce a very readable story with well-articulated characters. A thoughtfully written, original and entertaining exploration of events ignited by love and lies." --Kirkus "Murphy's debut, an absorbing coming-of-age story, revolves around the murder of Oliver Lane, shot dead at his beach house on North Carolina's Outer Banks. The victim had three wives, starting with his first and legal wife, Diana, a true Southern lady and the mother of his word-obsessed 12-year-old daughter, Picasso. Readers slowly piece together the truth through the eyes of Picasso, the detective, and the wives. Solid, well-defined characters." --Publishers Weekly "Oliver Lane was a busy family man. He had three families going, with growing children (and one in the womb) from three different wives. One day, Oliver is found, his scheming head shot off, on the porch of his summer house on an island on the North Carolina coast. His 12-year-old daughter discovers his body. And this girl, Picasso Lane, is the first point of view in Murphy's debut mystery. . . Tangled relationships. . . good suspense and a nicely creepy tone throughout." --Booklist "When I really, truly love a book, I feel a...
