

The Assateague Ponies

By Ronald R. Keiper

Cornell Maritime Press Inc., U.S. Paperback. Book Condition: new. BRAND NEW, The Assateague Ponies, Ronald R. Keiper, Ponies have lived on Assateague Island for hundreds of years, but only since 1975 have they been studied scientifically. In 1965 twenty-one ponies were released into the northern portion of Assateague within the Assateague Island National Seashore where their numbers have risen gradually, and the animals have flourished. It is these feral horses, free to roam, to forage for their own food and water, and to live and reproduce as they choose that Dr. Keiper, an animal behavior specialist, has studied and photographed.

Reviews

It is one of the best publications. It is really a very intriguing read through a period of time. You will not feel monotony at any time of your own time (that's what catalogs are for relating to in the event you request me).

-- Dr. Pat Hegmann

It is one of my favorite publications. It is among the most awesome publications I have gone through. I am just quickly getting a delight of reading through a published publication.

-- Prof. Martin Zboncak DVM
