Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Traherne: An Essay It seems almost a miracle that works of un mistake-able genius should be rescued from oblivion two hundred years after the death of their author. Yet one of the greatest mystical writers of the seventeenth century was not discovered till 1897, when a fortunate chance led Mr. William Brooke to purchase two manuscripts of unknown authorship from a bookstall in Vigo Street. The manuscripts were sold to him for a few pence: both were in the same handwriting: one contained poetry, the other prose. On examining them, Mr. Brooke soon perceived that he had lighted on a treasure; and he thought that the poems resembled the work of Henry Vaughan. He communicated his discovery to Dr. Grosart, who bought the two manuscripts, and intended to include the poems in a new edition of Vaughan, which he was preparing for the press. However, Dr. Grosart died before he could carry out his intention: his library was sold, and the manuscripts passed into the hands of the man to whom we owe the discovery of their true authorship - Bertram Dobell. Dobell studied the manuscripts closely, and soon became convinced that Dr. Grosart was wrong in attributing them to Vaughan. By a strange coincidence, he had acquired a third manuscript volume from the sale of Dr. Grosart s library, which proved to be in the same handwriting as the other two, but did not throw any light on their mysterious author.
