Proactive people understand that he s response-able are. He Genetics for their conduct, conditions, or environments do not think the blame know that Voldemort chose his own behavior. While on the other hand those who are reactive, they are mostly Prbavithote from their physical environment. She blames behaviour external things. If the weather is good, feel good Tounhen And if not, it affects their attitude and performance, and they tend to blame the weather. All external forces act as a stimulus, which we will react. The excitement and you do it, the response among your greatest strength-and he has hidden the fact that freedom itself can choose your response. There is a very important thing that you can choose which language you speak, what you use it at this point indicate that how you see yourself A proactive person uses proactive language .-I can, I will, etc. A reactive person uses language reactive Forms I can not, I wish you would do it, etc. Reactive people think that what they say and do not blame themselves for what they are-they have no choice.The circumstances in which no or little control can be used at all on it or react to anxiety rather than proactive in their own time and energy to devote all the things they can control. Whatever problems we face, Chuntia or two areas we can share in the opportunities that are: 1) Circle of Concern (area of concern)2) Circle of Influence. (Sphere of nfluence)Proactive people focus their efforts on Circle of Influence!...
