

## Plastic molding and die structure (vocational education institutions. professional planning machinery and electronic materials)

Filesize: 6.28 MB

### **Reviews**

*A very wonderful pdf with lucid and perfect answers. I was able to comprehend almost everything out of this created e pdf. I discovered this book from my i and dad encouraged this ebook to learn.  
(Prof. Jovan Stark DDS)*

## PLASTIC MOLDING AND DIE STRUCTURE (VOCATIONAL EDUCATION INSTITUTIONS. PROFESSIONAL PLANNING MACHINERY AND ELECTRONIC MATERIALS)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 302 Publisher: Machinery Industry Pub. Date :2008-09-01 version 1. This book systematically describes the plastic molding process. mold design and mold structure and the basic principles. the basic method. The book is divided into 11 units. including injection molding. compression and injection molding. extrusion molding. pneumatic molding and other molding process and mold structure. the mold material and injection mold design example. Principles of the plastic molding of the unit. a mold structure and design together. the emphasis on content integrated. This book is suitable for vocational and technical colleges and adult education institutions. professional mold design and manufacturing uses. but also for mechanical design. electrical and mechanical technology. digital technology and other machinery related to professional use. but also for engaging in mold design and manufacturing engineering officers. Contents: Introduction Module I Introduction to plastic molding a plastic base section. the molecular structure of two polymers. the composition and classification of three plastic. the thermodynamic properties of four plastic. plastic flow in the molding process of physical changes and chemical changes in the state second section of the plastic properties of a process. process performance two thermoplastics. thermosetting plastics process performance plastic parts design for the third quarter. size and accuracy of two plastic parts. plastic parts of the surface quality of three plastic parts of the structural problems and design thinking Exercise unit two injection mold injection molding equipment. a base section. the basic structure of two injection machine. injection machine working cycle of the work process three or category four injection machine. injection machine's technical parameters of five. said injection machine model specifications Principle II injection molding method and process characteristics of an injection...
