The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

DISCOVERING BARCELONA, A TRAVEL GUIDE FOR TEENS

Enric Masso. Paperback. Book Condition: New. Paperback. 228 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. The ultimate travel guide to discovering Barcelona with your kids. A perfect book for teenagers for your next leisure vacation or city break, or simply... an escapade. Discovering Barcelona, a travel guide for teens does not aim to be a typical tourist guide covering only monuments, museums and other very interesting but often boring facts about the place you're visiting. Instead, this is a guide for teens to attractions and activities that I am sure you'll enjoy more while in Barcelona. Let's show adults that they can also see many of those things while you're having fun along the way. Ready for an adventure? You've come to the right place! There's a lot to see and do in Barcelona. This guide will help you to get the most out of your experience. To make the most out of your trip, before you leave, read the section A bit of background and some fun facts where you'll get a glimpse of Barcelona's main facts, history and culture. Maps, there're plenty of those. You should familiarise yourself with the location of the main places so you can better assist your parents when they get lost... and they eventually will, trust me! Then, I present you over 60 ideas for activities and attractions to have fun while you're in Barcelona. Each one has detailed description, directions and advice on how to get the most out of it. Also, to make things easy, I have proposed some routes that you can follow. This will save you some planning time and you will be able to focus on enjoying the trip. Very important: I have also included sections to tell you the best places to eat, shop, play....
