Reviews

This pdf is very gripping and exciting. I could comprehend everything using this created e book. You won't really feel monotony at any moment of your own time (that's what catalogs are for about in the event you ask me).

(Miss Vergie Marks DDS)

BONE BOX

Amika Press, United States, 2015. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.On a hill overlooking the Aegean Sea in Turkey, an international team of archeologists discovers a stone box that first-century Jews used to rebury their dead. The box's Aramaic inscription: Jesus of Nazareth, the Christ. Sophia Altay, the beautiful French-Turkish archeologist who heads the team, tries to keep the discovery secret until she can authenticate the ossuary. She knows that people will kill to obtain the relics-and to suppress the box's other contents, documents that could alter Western history. Joseph Travers, an American sent to Turkey to evaluate the archeological dig, soon finds himself pulled into the web of betrayal, reprisal, and violence. In his journey through Istanbul's mosques and palaces, the archeological sites around ancient Ephesus, and, ultimately, the strange and mystical terrain of Cappadocia, he comes to understand the epochal meaning of the bone box. Readers Favorite: This story takes you on an incredible and dusty journey from Istanbul to ancient Ephesus, Izmir, and Cappadocia, blended with Christianity, archaeology and Islam, described with accurate detail to bring the story alive. Jay Amberg is a master of description and intrigue. The plot and characters are believable and interesting. Keeps you guessing through each and every chapter. A cross between The Da Vinci Code (Dan Brown) and The Sign of the Cross (Chris Kuzneski) this is an un-put-downable book of the highest quality. San Francisco Book Review: A mystery of biblical proportions right down to the very last page. As the story unfolds, the characters' histories, weaknesses, and ambitions are brought to light through their interactions with one another: the lies they tell, the crimes they are willing to commit, and the truths they are willing to...
